

24 Hours Max!!!

A Program On Time Leveraging

Duration: 8 Hours (1 day)

Batch Size: 16 – 18 participants

Executive Level: Operational Executives and Junior Management.

Overview: This program shatters the myth of paucity of time. Participants will, through reorientation, realise that adequate time is available and can be utilised to pursue their goals and interests. The program sets a different tone by encouraging participants to manage their own nature to leverage time better.

Program Focus:

- Managing self for improved time usage
- Prioritising and Planning
- Goal Orientation
- Time Leveraging and Delegation
- Managing Time Wasters

DNA: *Packing more Life in time than more time in life.*
